Translation of all inscriptions on this site is made in accordance with the original text in Hindi. Indian films in Hindi. From early childhood, I was fascinated by Indian films in Hindi, I was 7 years old when I first saw it, these films, these songs, these dialogues in which we hear about eternal love, devotion and passion. And I always wondered how it happens that the actors love each other so much that there is not even a hint of negativity or hatred between them all the time.
